Dokit - Renaming a Page

How to change the name of a dokit page

Difficulty Easy

Ouration 1 minute(s)

Contents

Introduction Step 1 - Open the Dokit page Step 2 - Rename Comments

Introduction

The name of a document cannot actually be changed once it is saved.

However a similar result is gained by using the "Move" command, which creates a copy of the page and adds a forwarding link from the old to the new

Step 1 - Open the Dokit page

1. Click the 3 dots

2. Select Move

Step 2 - Rename

- 1. Overwrite the old name with your new name
- 2. Click Move

Using the form below will rename a page, moving all of its history to the new name. The old title will become a re	direct page to the new title. Be sure to check for double or broken
redirects. You are responsible for making sure that links continue to point where they are supposed to go.	
Note that the page will not be moved if there is already a page at the new title, unless it is a redirect and has no p It was renamed from if you make a mistake, and you cannot overwrite an existing page.	ast edit history. This means that you can rename a page back to whe
Note: This can be a drastic and unexpected change for a popular page; please be sure you understand the consec	quences of this before proceeding.
