Feature

✋ ...Note. This feature is only available on software version 6.5.28.1 and later (Aug 2023)

There are 3 parameters that control two reminders per day, at fixed times

Parameter	Function	Example	Notes
reminderText	Text to display at reminderTime	Please clean the machine!	Set to "None" to disable the function
reminderTime1	1st reminder time	12:30:00	24 hr format
reminderTime2	2nd reminder time	16:30:00	

The reminder appear on the saw side screen and the operator clicks ok to dismiss it
