

Touchscreen Identification and Notes

Notes on compatibility and obsolescence of Stuga Machine Touchscreens

Contents

Comments

Pic	Part Number	Used On	Notes
	C0000235P Elo Touch Screen 1590L 15" Bezel Mounting	Standalone Saw Consoles Flowline Consoles ZX3/4/Microline Consoles	The 'P' suffix means it is supplied with a PSU unit
	C0000412 Elo Touch Screen 1523L Cased VESA Mounting	ZX5 Autoflow Refurbs with monitor on a post	Had supply chain issues in 2022 but now resolved Has Digital and VGA Ports
	C0001284 Elo Widescreen Touchscreen 1509L 15.6"	2022 Model ZX5s and Autoflow Mk4	Used to replace C0000412 when supply chain issues forced this route. Only has a VGA port, so not suitable for spares sales
